

Kettler Kapers

By MRS. MILLIE WEST
Lomita 3003-J

Goodbye! Have fun! were the cries early Monday morning as the Jones family left on their two weeks vacation. They plan to spend their first week touring and sight-seeing up north then will head down south as far as Ensenada to try their luck at fishing. Hope they catch some big ones.

It was a lovely surprise for Mrs. Winona Hanni of 1828 Middlebrook road when hostesses Billie Johnson, Betty Dickson and Peggy Scales honored her with a stork shower last week in the Johnson home. There were gay decorations, games, lots of lovely gifts, and last, but definitely not least, luscious refreshments of chicken salad on tomato rosettes, hot rolls, and all the trimmings. Guests who shared the delightful evening were Mesdames Eula Ely (the honoree's mother), Lucille Jorsrud, Marjorie Oaks, Jean Fish, Evelyn Coleman, Edna Crosswhite, Lois Souther, Rose Dean, and Betty Dawson.

The Frank Currys, of 2031 Reynosa drive, have really had a full month. Having vacationed for two weeks in Pueblo, Colorado, where they visited friends and relatives, they returned home in time for Faye Curry to celebrate her birthday. Last Saturday, the 18th was the big day though, they celebrated their 26th wedding anniversary. Congratulations!

It's good news to hear that

Mrs. LaVonia Russell, of 23555 Falena, is up around, and very much on the mend. LaVonia underwent a major operation at the Gardena Bellevue Hospital only two short weeks ago.

Speaking of operations! Beverly Oaks, 13-year-old daughter of Mr. and Mrs. Harry Oaks, of 1850 Middlebrook road, can boast with the best of them when the conversation turns to talking about "such." She's just recently home from the Torrance Memorial Hospital where she had a very rare type of throat operation. Parents report that she is doing fine and will be "fit as a fiddle" when school starts.

Congratulations are in order at the home of the William Souzas, of 1854 Reynosa drive, their fine husky son, named William Joseph, arrived on August 12th and weighed in at 8 lbs. 14 ozs. The Souzas have one other child, Barbara aged 3.

"Kettlerites" meet our new neighbors the Max Blanchards and their daughter Maxine who have come from Morningside Park in Inglewood to make their home at 2019 Reynosa drive. Mr. Blanchard is the used car manager for Schultz and Peckham local Ford dealers. We hope they will be happy in their new home.

A great deal of thanks and praise goes out from Mrs. William Grubbs to the members of the Methodist Church Circle 7, Mesdames Viola Goree, Camilla Telford, Betty Morhead, Jo Devenish, Margaret Beavers, Lorraine Stanton, Emma Lou Clarke, and Leona Wimmell. At a recent meeting held at the home of Mrs. Harold Holmes on Falena avenue, these girls donated their time to some very serious sewing for the Torrance Memorial Hospital. Putting aside all social talk and even omitting the usual refreshments they worked steadily all day - some even taking sewing home with them. Thanks, too, for the sewing machines that were so graciously loaned by Mrs. Holmes' neighbors. There is still much sewing to be done. Anyone who can give a little time or can take some sewing home call Mrs. Grubbs at Lomita 99, it will be greatly appreciated and will aid a good cause.

Microscope Missing

Sometime during the summer a \$250 microscope was stolen from the Life Science Department at El Camino College, Business Manager C. G. Arwedson told sheriff's deputies this week.
